

This is a comprehensive list of bird species recorded at Banana Well Getaway by Broome Bird Observatory staff May 6th and 7th 2023. A total number of 82 species were present during this time. Excitingly, there is huge potential for many more species to be seen here at different times of the year.

All species were recorded around the grounds, on the new walking trail, and at the landing.

Birds with a '●' symbol beside their name were recorded at the landing, approximately 3kms from the main campground area.

SPECIES NAME

Diamond Dove
Peaceful Dove
Bar-shouldered Dove
Australian Owlet-nightjar
Horsfield's Bronze-Cuckoo
● Little Bronze-Cuckoo
● Brush Cuckoo
● Black-necked Stork
● Australian White Ibis
● Great Egret
● Little Egret
● Australian Pelican
● Lesser Frigatebird
● Brown Booby
● Australian Pied Oystercatcher
● Pied Stilt
● Red-capped Plover
● Whimbrel
● Far Eastern Curlew
● Bar-tailed Godwit
● Terek Sandpiper
● Grey-tailed Tattler
● Common Greenshank
● Silver Gull
● Australian Gull-billed Tern
● Caspian Tern
Barking Owl
Southern Boobook
● Osprey
Square-tailed Kite
Brown Goshawk
● White-bellied Sea-Eagle

SCIENTIFIC NAME

Geopelia cuneata
Geopelia placida
Geopelia humeralis
Aegotheles cristatus
Chalcites basalis
Chalcites minutillus
Cacomantis variolosus
Ephippiorhynchus asiaticus
Threskiornis moluccus
Ardea alba
Egretta garzetta
Pelecanus conspicillatus
Fregata ariel
Sula leucogaster
Haematopus longirostris
Himantopus leucocephalus
Charadrius ruficapillus
Numenius phaeopus
Numenius madagascariensis
Limosa lapponica
Xenus cinereus
Tringa brevipes
Tringa nebularia
Larus novaehollandiae
Gelochelidon macrotarsa
Hydroprogne caspia
Ninox connivens
Ninox boobook
Pandion haliaetus
Lophoictinia isura
Accipiter fasciatus
Haliaeetus leucogaster

SPECIES NAME

Whistling Kite
 ● Brahminy Kite
 Rainbow Bee-eater
 Sacred Kingfisher
 Red-backed Kingfisher
 Blue-winged Kookaburra
 Brown Falcon
 Red-tailed Black-Cockatoo
 Little Corella
 Varied Lorikeet
 Red-collared Lorikeet
 Budgerigar
 Red-winged Parrot
 Great Bowerbird
 Red-backed Fairy-wren

SCIENTIFIC NAME

Haliastur spheurnus
 Haliastur indus
 Merops ornatus
 Todiramphus sanctus
 Todiramphus pyrrhopygius
 Dacelo leachii
 Falco berigora
 Calyptorhynchus banksii
 Cacatua sanguinea
 Psitteuteles versicolor
 Trichoglossus rubritorquis
 Melopsittacus undulatus
 Aprosmictus erythropterus
 Chlamydera nuchalis
 Malurus melanocephalus

SPECIES NAME

Brown Honeyeater
 White-throated Honeyeater
 Golden-backed Honeyeater
 Little Friarbird
 ● Red-headed Honeyeater
 Rufous-throated Honeyeater
 White-gaped Honeyeater
 Singing Honeyeater
 Yellow-tinted Honeyeater
 Striated Pardalote
 White-throated Gerygone
 Grey-crowned Babbler
 Varied Sittella
 Rufous Whistler
 Grey Shrike-thrush
 Black-faced Cuckoo-shrike

SCIENTIFIC NAME

Lichmera indistincta
 Melithreptus laetior
 Melithreptus albogularis
 Philemon citreogularis
 Myzomela erythrocephala
 Conopophila rufogularis
 Stomiopera unicolor
 Gavicalis virescens
 Ptilotula flavescens
 Pardalotus striatus
 Gerygone olivacea
 Pomatostomus temporalis
 Daphoenositta chrysoptera
 Pachycephala rufiventris
 Colluricincla harmonica
 Coracina novaehollandiae

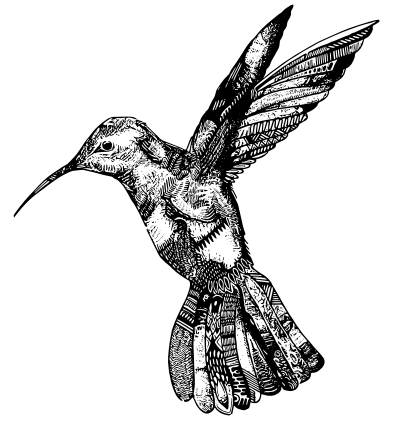

SPECIES NAME

White-winged Triller
Pied Butcherbird
Black-faced Woodswallow
Little Woodswallow
● White-breasted Woodswallow
Northern Fantail
Willie Wagtail
● Mangrove Fantail
Leaden Flycatcher
Paperbark Flycatcher
Magpie-lark
● Torresian Crow
Jacky Winter
Tree Martin
Mistletoebird
Chestnut-breasted Mannikin
Long-tailed Finch
Zebra Finch
Double-barred Finch

SCIENTIFIC NAME

Lalage tricolor
Cracticus nigrogularis
Artamus cinereus
Artamus minor
Artamus leucorhynchus
Rhipidura isura
Rhipidura leucophrys
Rhipidura phasianina
Myiagra rubecula
Myiagra nana
Grallina cyanoleuca
Corvus orru
Microeca fascians
Petrochelidon nigricans
Dicaeum hirundinaceum
Lonchura castaneothorax
Poephila acuticauda
Taeniopygia castanotis
Taeniopygia bichenovii
